Sir:

Applicant has enclosed copies of the Error Transaction Report generated by Applicant's facsimile machine, which indicates the date/time/receiving telephone number of the transmission, as well as copies of the documents as originally transmitted. Applicant respectfully requests entry of the Petition for Extension of Time for a period of three (3) months to increase the period of reply for the outstanding Office Action in the above-identified application from February 23, 2006, to May 23, 2006, to permit timely filing of the continuing application serial number 11/439,827, filed May 23, 2006.

Applicants respectfully request the withdrawal of the abandonment by the USPTO without requiring Applicants to file a Petition to Revive.
